

# How To Set Up Your Shadeling

Open up the bag! The kit will come with:

- 1 X Star Shadeling
- 1 X Collapsible 2.2m aluminium pole (3 sections) with pole sock
- 6 X Stainless steel pegs with snap hooks in a bag
- 2 X Measuring ropes - 1.9m ea

This is the area that your Shadeling will take up

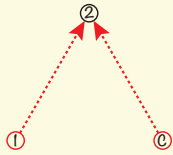

1

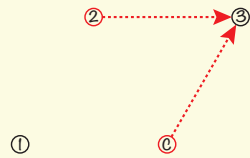

Peg in temporary center peg  
Using measuring rope, loop over center peg and put in peg 1  
Have the snap hook facing the center

2

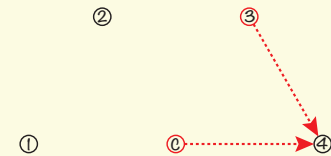

Loop second measuring rope over peg 1  
Now using both ropes measure out peg 2

3

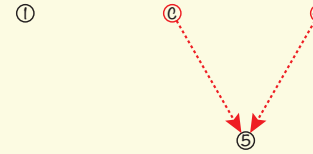

Remove loop from peg 1, put on peg 2  
Now measure out peg 3

4

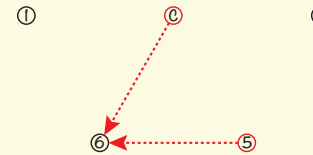

Remove loop from peg 2, put on peg 3  
Measure out peg 4

5

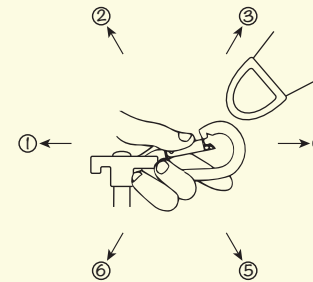

Remove loop from peg 3, put on peg 4  
Measure out peg 5

6

Remove loop from peg 4, put on peg 5  
Measure out peg 6  
Remove center peg to use as peg 6

7

Lay out the Shadeling  
Hook the corners onto the snap hooks

8

Unfold pole and insert up into the center
