

How To Set Up Your Shadeling

Open up the bag! The kit will come with:

- 1 X Double Star Shadeling
- 2 X Collapsible 2.2m aluminium poles (5 sections) with pole socks
- 7 X Stainless steel pegs with snap hooks in a bag
- 2 X Measuring ropes - 1.9m ea

This is the area that your Shadeling will take up

1

Peg in temporary center peg 1
Using a measuring rope, loop over center peg and put in peg 1
Have the snap hook facing the center

2

Loop second measuring rope over peg 1
Now using both ropes measure out peg 2

3

Remove loop from peg 1 & put on peg 2
Now measure out peg 3

4

Remove loop from peg 2 & put on peg 3
Measure out peg 4

5

Remove loop from peg 3, put on peg 4
Measure out temporary center peg 2
Remove center peg 1

6

Keep loop over peg 4
Put old center loop over center peg 2
Measure out peg 3

7

Remove loop from peg 4, put on peg 5
Measure out peg 6

8

Remove loop from peg 5, put on peg 6
Measure out peg 7
Remove center peg 2 to use as peg 7

9

Lay out the Shadeling
Hook the corners onto the snap hooks

10

Unfold poles and insert up into the 2 center points
